

CCBL Orleans Firebirds Intern Position - Photographer (2)

Candidates should demonstrate a proven knowledge and skillset in photography and a well-rounded understanding of the game of baseball. Previous work samples are required for consideration.

- Provide pre-, in-game and post-game still photography as well as at community, sponsor, and organizational events.
- Photographer must work as an integral part of a highly motivated, innovative, and collaborative Digital Marketing team to capture all aspects of the Firebirds baseball experience.
- Responsible for photo file organization and archiving on team related storage sites.
- Attend all home and away games.
- Must provide own housing and own transportation to away games. Car-pooling to away games with other media interns is encouraged.

Provide still photography for the Orleans Firebirds to include images from the following events for home and away games: pregame activities such as warmups, batting practice, and field preparation; first pitch and team walk through; national anthem; game activities such as on deck, batting, base running, fielding, and pitching; post game activities such as team talk, signing autographs, and team dinner; youth clinic events such as registration, instruction, batting and pitching clinics, games, and fun activities; community events such as sponsor days, reading at the library, and yet to be determined activities.

The goal of the internship is to be able to capture the season in photojournalistic and documentary style as well top also to capture the feeling, essence, and character of the players, coaches, fans, community, umpires, interns, volunteers, and the field itself.

The direct customers of the product are: the social media team, the yearbook team, the Firebirds organization, the Cape Cod Baseball League, the sponsors, the first pitch participants, the national anthem singers, as well as the players, their families, and coaches.

The photography interns will share these responsibilities based upon a weekly assignment matrix that segments the required areas to cover. Game time activities will require the ability to transfer cropped and edited image files to the social medial team on an inning by inning basis while other images would be required by next day 10:00am.

The intern will work as an integral part of the photography team as well as the social media and events team. Including taking direction from the photography coordinator, Digital Media/Marketing coordinator, and their teams.

Mentoring and feedback will be provided to help interns to improve their sports photography skills during the season.
